Where networks meet

DE-CIX Update & Services

May 6th, 2011

RIPE 62 - Amsterdam

Andreas Sturm

Manager ISP & Carrier Relations

andreas.sturm@de-cix.net

Where networks meet

DE-CIX

DE-CIX claim „Where networks meet“

- Frankfurt is ideally located in the heart of Europe. Low latency to many eyeballs.
- Home of POPs of 500+ ISP's and Carriers in 10+ facilities on two campuses.
- Competitive market for data center services and transport.
- Attractive legal and regulatory framework.
- For the last 16 years home of DE-CIX ☺

DE-CIX Where networks meet

Focus

- Not longer only focussed on Peering but on Interconnect solutions for ISPs & Carriers.
- Not following every new trend/hype but careful expansion of services driven by customer needs.
- One-stop shop ISP & Carrier presence in Frankfurt incl. DE-CIX MetroColocation service, MetroBANDWIDTH and CampusFIBER.
- Three new services will be launched in 2011.

DE-CIX Where networks meet

MetroBANDWIDTH

- Protected and affordable 10GE connections between all major data centers in Frankfurt (Kleyerstrasse campus <> Interxion campus). New optical network to be deployed shortly.
- Service can be extended with DE-CIX' CampusFIBER product to various MMRs for end2End connectivity between ancotel, Databurg, Global Crossing, Interxion FRA1-FRA6, ITENOS, KPN, NewTelco sites in Frankfurt.

DE-CIX Where networks meet

CampusFIBER

- Dark fiber connectivity between MMRs in all major Frankfurt DC on two campuses. DE-CIX secured access to fiber that has already been deployed.
- Based on the existing private interconnect but more sites and new pricing will be introduced.

Other News

- New Exchange in Düsseldorf (Interxion) to be RFS in May.
- DE-CIX conference center in Frankfurt RFS in June 2010 (same building, same floor, other wing)
- Save-the-date: Frankfurt ISP & Carrier week October 17-21
 - cnX Business Networking event
 - DE-CIX Customer Summit & Party
 - DENOG3
